Many of us are dashing about as soon as we wake up, and don't stop moving until we go to bed at night. Even if the desire is there, life often takes precedence over reading the Bible consistently. Throughout the Gospel of John, my experience doing this activity is that reading the scriptures makes me feel good, it gives me confidence & hope. Reading the Bible gives me comfort. We see Jesus is God and the reality toward which all of Israel's history points. Not only is Jesus the Messiah, but He's also the Son of God who gives eternal life to everyone |
