IN THE BIBLE

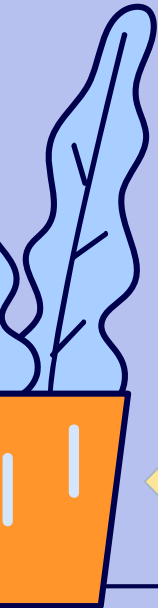

God has saved you, you must always live in a way that shows which is true.

Respect God and Obey him. Remember that he is great and powerful. In this world you are living among bad people who have turned away from what is good.

Christians must be like lights in the world

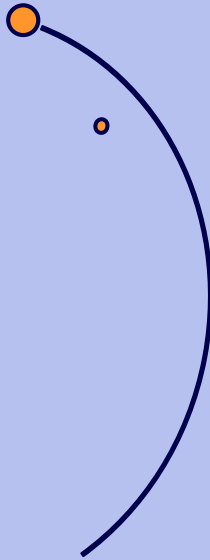

But you must bring light into this dark place, like stars that shine in the night. Tell people the true message that can give them life with God. Then I will know that my work among you had good result.

Philippians 2: 1-2

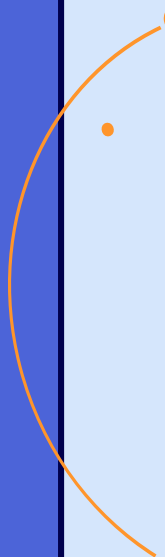

- We belong to Christ
- He makes us Brave
- Be kind to each other
- Forgive each other
- Help one another

For the past few weeks, I already learned a lot in the RED 102 subject, every module I always learned something that I know I can use in my every day life and for the future. So I would say what I have learned to all the modules that discuss.

This is base on my experience. Last time I faced some personal problem and I was very anxious, so what I did is pray and ask God for help because I don't know what to do so I open the bible and I randomly picked a Gospel and when I start reading and I was shocked because what I read is the answer to my prayer, it helps me to understand why it happens and it helps me to calm myself. also this subject helps me to overcome those difficulties because our teacher always give a important quotes.

The very important thing that I learned is that God will never leave you, God I with you all the time maybe you didn't notice but as long as you believe in our God nothing is impossible, if you face problems don't hesitate to ask God for help and if you received what you prayed before don't forget to thank God because he help you. After all you prayed for it. Always remember "Whatever happens there is always a reason and don't forget God"

I want to Give this personal Gospel of mine to my favorite person which is my Mother, this is the message I want to share with her because I want her to feel that she is not alone even though she is in another country working, I don't want her to feel anxious about anything. I hope this message will help her to remember that God is always there for her.
