| | | | <p>they found everything just the same as the woman has said but they did not see Jesus. Then Jesus said to them “how silly you are! You are slow to believe that everything God’s prophets said long ago, you should have known that messiah had to die. Only then he would return to heaven and show how great and powerful he is”. And same to us right now, we should believe that God is great and powerful.</p> |
