

The 4 Filipino Values

MAKA-DIYOS

It is important being makadiyos because it will give us peace in our life. Prayer helps us to keep away from harm, and also help us to heal our heart.

- Put God first all the time
- Trust him with all our heart
- Attend Sunday Service
- Always Pray
- Respect Sacred Place of the Lord

MAKA-TAO

It is important being makatao because it help us to have peace in our world. And also RESPECT everyone's beliefs and opinion.

- be kind
- be generous
- respect their opinion
- help those who are in need
- shows Respect for all

MAKA-BAYAN

It is important being Makabayan because it helps our country to grow, strong, and recognize. We must show love and be proud to our country.

- support local products
- respect the Philippine flag
- promotes appreciation of Filipino language
- respect the national anthem

- value the Filipino identity

MAKA-KALIKASAN

It is important being maka-kalikasan because we are the one who will benefit in the end, and also we must preserve our nature.

- planting trees
- practice waste management
- avoid littering
- join the activities that related to our environment
- learn to recycle
