

GOD'S

MASTERPIECE

A letter to myself:

Look how far you have become, you have grown so much as a person, with God beside you who journeys with you throughout your life i know you will be always alright and your heart will always feel the comfort of God. God has planned for you even before your life begins. Youa are called God's unique workmanship, uniquely made by his hands. God created me as his masterpiece it is the power of God as my creator

God is Love
he love us and he
pursues us with
that love.

God has plans for my life

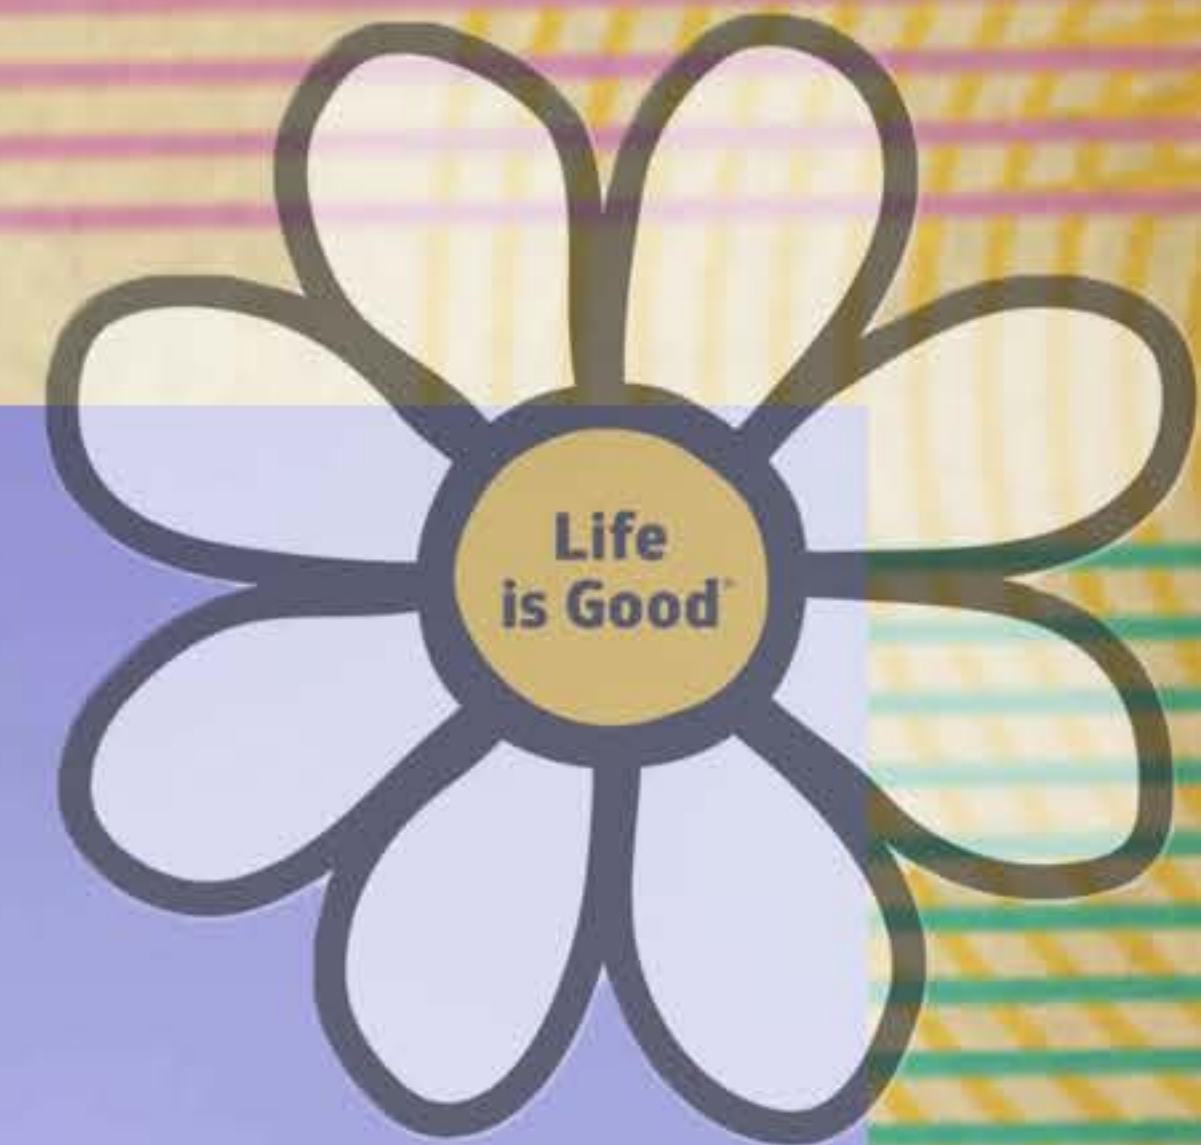

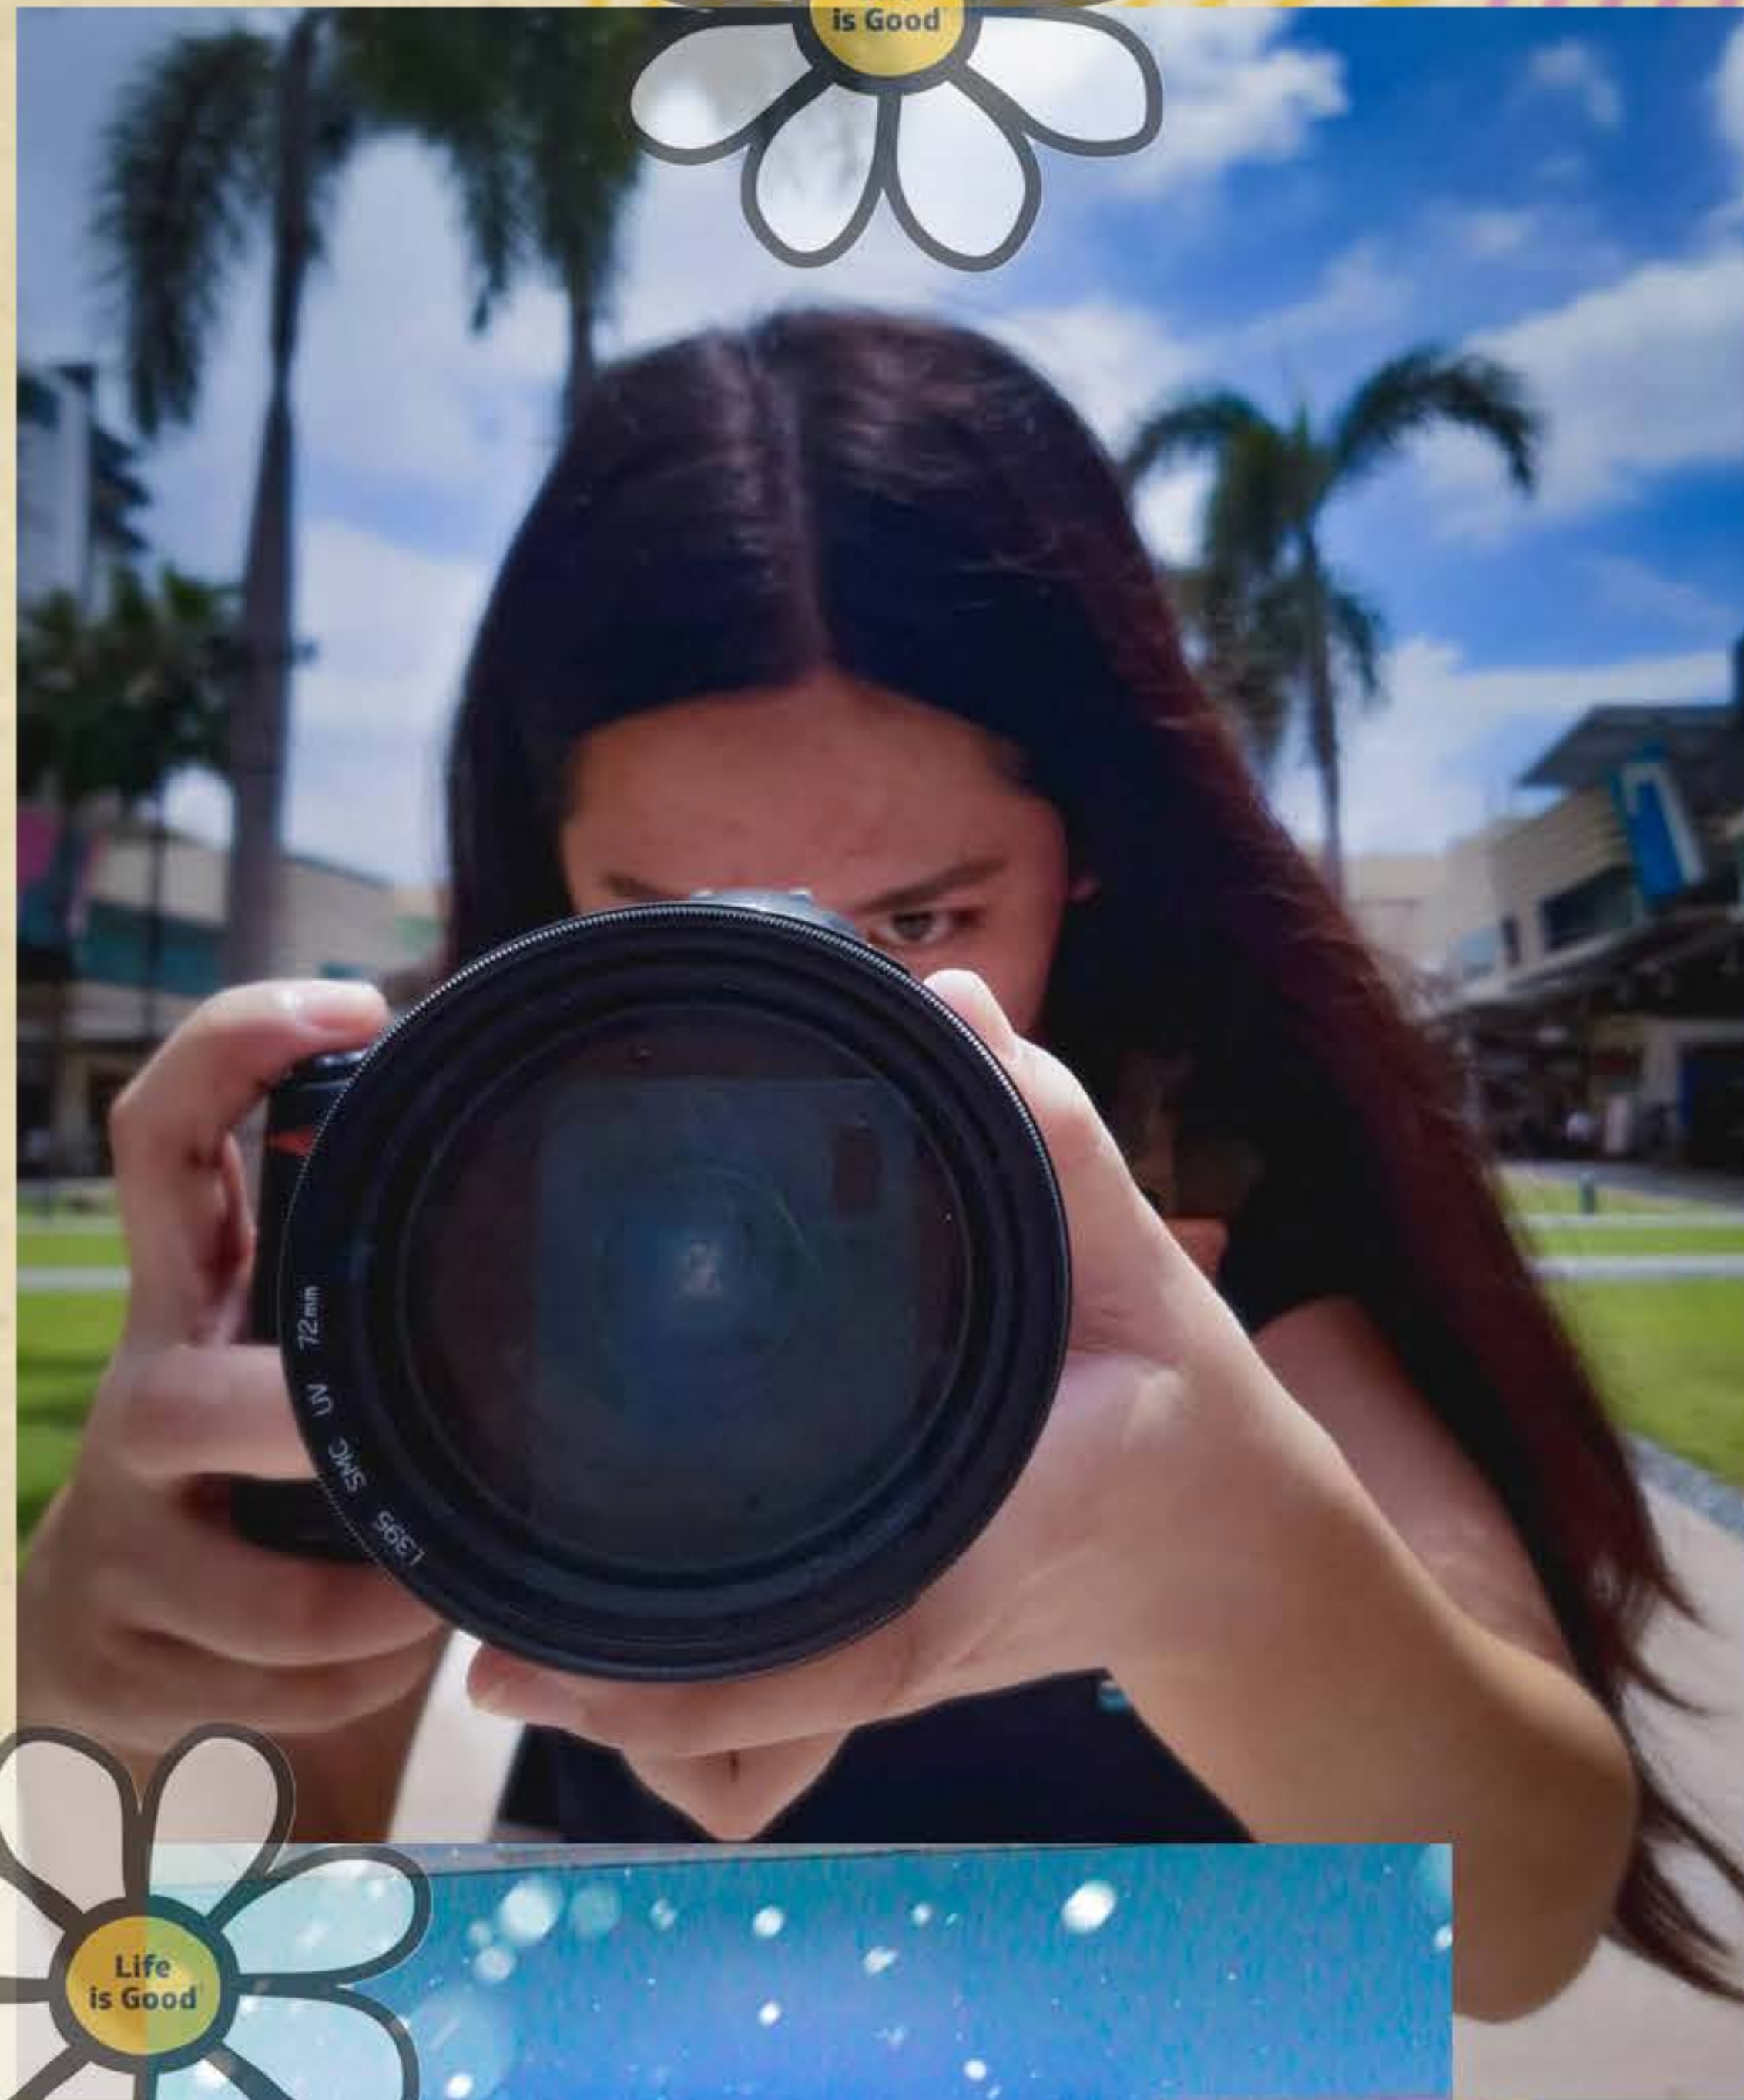

My life is my journey

*A Gift from
God*

*We are called God's unique
workmanship, uniquely
made by his hands*

*I should live my life,
love God,
love myself and
others*

*an ever-changing work of art on display
In this world for His glory.*
