## **MY PERSONAL GOSPEL TODAY**

For the past few weeks of taking Religious Education 2, My personal beliefs on the Bible and to my own religion has drastically changed. I now believe that there is only one way to salvation, Which is through the Lord.

**LUKE THE  
EVANGELIST**

If I were given the chance to do something about the things I have learned here in Religious Education 2, I would probably use these things to make my family whole again. Apparently, My family is in a touch situation where we live in a different house away from my Dad. I won't disclose the information on what really happend here but, I will do things that I learned here in REL ED 2 because from what I learned. God will not abandon those who are in need.
