# FIFTH GOSPEL

I, Earl David Ong, have learned a lot from my Religious Education class. I have refreshed God's call to me by reading the Gospels. I have noticed that people of today, of all generations, cling to earthly possessions and neglect the coming of our savior. We forgot the old ways and the ways in which God calls us. God called me to practice the things that I have learned from the Gospels previous to this. It is full of revelations and advice that we shall use as we learn and journey the path to salvation. I can say that my learnings were not from the subject itself, but from the bible groundings that it tells us to read. The Gospels are not just a book of Jesus' life, its the book of how to live a life without sin and the fear of eternal damnation. As we study the life of Christ, we are being introduced to various ways on how we can imitate his life through his Messianic Ministry - Priestly, Kingly, and Prophetic - and his Paschal Mystery - Passion, Death, and Resurrection. We can put into our minds that we, like Jesus, are human and also experience passion, death, and resurrection. Like me, we should all be constantly reminded of his message of love and salvation for us through the word in the bible.

I would like to convey this message to the youth of today, as the beacon of hope for tomorrow, do not lose hope! practice the Christian ways and we all will be free from depression and anxiety. As Christ is commanding us not to worry, for he knows what lays ahead of us. Do not overthink, for he knows the future, because he is the Alpha and Omega - the start and the end.

## SOCIAL MEDIA

Interaction is now easy and is on our palms. we can contact everyone through the utilization of social networking platforms. As we are in the digital age, I will use social media to convey my message of hope and faith. As his follower and server at his altar, I post infographics in our Hermitage page here in Zambales. I would like Christians to see the the true meaning of being a servant of Christ. We are not just obliged and encourage to attend mass every Sunday or pray every before meals, Christianity is not only about that. Being a Christian is having to live on by His will and giving up everything for the greater good. We also have practices that most of our brothers and sisters do not know, I will use my voice in this platform to evangelize and inform them of these very good practices. At the next page are some of my post in the said Facebook page and I plan to post more.

The Easter Vigil, which takes place Holy Saturday night, "is the greatest and most noble of all solemnities and it is to be unique in every single Church," the rubrics of the Missale Romanum proclaim.

The word vigil, which means "staying up all night," takes on a special meaning for the night before Easter because it recalls the holy women who came to the tomb the early hours of Sunday morning.

In Matthew's Gospel, Mary Magdalene and another Mary arrive at the tomb at dawn to finish embalming Jesus, but his body isn't there. An angel tells them, "I know you are looking for Jesus who was crucified. He's not here. He has risen. Tell his disciples to go to Galilee and they will see him there." (Mt 28:6-7)

## Oratio Imperata Prayer in Times of Calamities

Almighty Father, we raise our hearts to You in gratitude for the wonders of creation of which we are part, for Your providence that sustains us in our needs, and for your wisdom that guides the course of the universe.

We acknowledge our sins against You and the rest of creation. We have not been good stewards of nature. We have confused Your command to subdue the earth.

The environment is made to suffer our wrongdoings and now we reap the harvest of our abuse & indifference. Global warming is upon us. Typhoons, floods, volcanic eruption and other calamities occur in increasing number & intensity.

We turn to You our loving Father and beg Your forgiveness for our sins. We ask that we, our loved ones and our hard-earned possessions be spared from the threat of calamities, natural and man-made. We beseech You to inspire us all to grow into responsible stewards of Your creation and generous neighbors to those in need.

AMEN

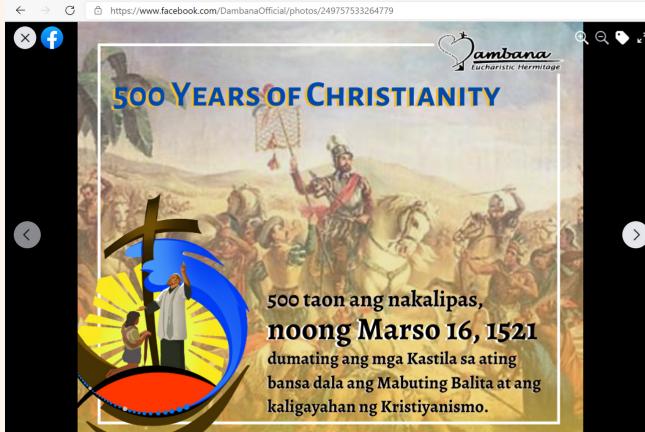

## Mission Prayer

We thank you, Father, for bringing us from darkness into light. Through your loving plan, 500 years ago missionaries came to our land to proclaim the Gospel of Jesus son to our ancestors. That made us your people and through us both darkness and lights, defeats and victories of our history as your people. Our faith has become for us true light that shines in the darkness.

May the Blessed Mother, the Star of Evangelization, accompany us and pray for us, to live and share our faith with others. May our strong love and devotion to her as our Mahal na Ina form us to be true disciples and witnesses of Jesus to all. Always ready to be sent, and to be obedient to whatever Jesus asks of us.

We ask this through Jesus Christ, your Son, Who lives and reigns with you in the unity of the Holy Spirit, one God forever and ever. Amen.

Published by Earl David · 500 years ago, March 16, 1521, the Spaniards arrived in the Island of Homonhon, South of Samar, Philippines. This event led to the evangelization of the GOOD NEWS and the "joy" of Christianity in the Philippines.

Let us all thank God for this day 500 years ago for he has saved us all from numerous events and help us in everyday.

On Ash Wednesday, we will be starting this year's LENT. As followers and servants of our Lord, we are obliged to observe FASTING and ABSTINENCE. Here are guides for these practices.
